

# Ms. Franek's Weekly Newsletter

I hope everyone had a great MEA weekend. I know it was definitely welcomed in my world- nice to have a little break. This week is an important week at Holy Redeemer. We have accreditation on Thursday and Friday. The teachers have been preparing for years (literally) to make sure everything is in order and tip-top shape for our guests this week. Make sure to remind your children that they need to be on their extra best behavior for our guests this Thursday and Friday.

As far as our week, it should be fairly normal. We have a lockdown drill at 10:30 on Wednesday. We also have the mass this Friday. Please join us for mass. I know the students always appreciate seeing their parents there. These students will be helping with the mass this week. Intro (Rachel W), 1<sup>st</sup> Reading (Thomas), Response (James), Petitions (Eric), Gifts (Benjamin and Rachel R), Ushers (Frank, Landon, and Nick), Banner (Erika). Please practice with readers at home.

Next Monday (October 31<sup>st</sup>) is our Halloween party! Students should bring their costumes to school. We will be changing into costume after noon recess and the party will be from 12:30-1:30. After that, we are going to bundle up and walk to Traditions to do some trick or treating with the residents. We will return to school around 2:15. Please join us for any of that, if you are free!
